Episcopal Bishop of California, Grace Cathedral, San Francisco, CA

Engage with inspiring spiritual leaders from diverse traditions — spanning the globe — who are committed to bridging the religions.

Open to seekers of all faiths who sincerely yearn for inter-religious harmony and peace.

We are fortunate to be joined by leaders from of the Instituto de Dialogo Interreligioso, co-founded with Pope Francis for peace across the religions.

“There will be no peace among nations without peace among religions.” - Hans Küng

Please join us to:

- Galvanize interfaith collaboration and interspiritual dialogue across Latin America;
- Be inspired by pioneering spiritual and inter-faith leaders from across the globe;
- Explore remarkable breakthroughs where two or more faith traditions intersect;
- Share contemplative practices, prayer, worship, and spiritual journeys across the faith traditions;
- Collaborate with spiritual leaders and seekers across the faith traditions in Latin America.
- Ignite and engage your passion to be an instrument of peace in the world.

This conference is highly participatory and experiential, to provide lots of opportunity for interactive engagement and creative exchange among all participants and presenters. Other presenters will also be featured from South, North, and Central America—to be announced.

Bi-lingual conference: English and Spanish. Please join us! To register: www.Satyana.org
